SERVICES

At Croft House Dental Surgery, we offer a full range of dental care tailored to your needs, including:

- **General Dentistry** – routine check-ups, advice, and preventive care
- **Hygienist Appointments** – helping you maintain a healthy smile and gums
- **Restorative Treatments** – including fillings, crowns, bridges, and dentures
- **Cosmetic Dentistry** – improve the appearance of your smile, including professional teeth whitening
- **Invisalign®** – discreet and effective teeth straightening with clear aligners
- **In addition to general and cosmetic dentistry, we work with trusted specialists to provide expert care when you need it most:**
- **Periodontist** – a gum specialist who treats conditions like gum disease and supports long-term oral health
- **Endodontist** – a root canal specialist who helps save damaged or infected teeth
- **Oral Surgeon** – provides advanced care such as complex extractions or surgical procedures
- **Implantologist** – a specialist in placing dental implants to restore missing teeth with natural-looking results

AT YOUR FIRST VISIT

We understand that visiting a new dental practice can feel a little unfamiliar, so we're here to make you feel welcome from the moment you arrive

01

RECEPTION

When you arrive, you'll be warmly greeted at reception, where we'll confirm a few details to ensure your visit runs smoothly

02

MEDICAL FORM

You'll be kindly asked to complete a short medical history form, which helps our dental team provide safe, personalised care tailored to your needs

03

MEET YOUR DENTIST

You'll then meet your dentist, who will take the time to get to know you, understand your dental concerns, and make you feel at ease before beginning your examination

04

DENTAL EXAM

Your dentist will then carry out a full examination, checking your teeth, gums, and overall oral health — and answering any questions along the way

05

SPECIAL TESTS

If needed, we can carry out extra tests like X-rays, photos, or a quick digital scan with our iTero scanner — all done during the same visit to help us get a clearer picture of your oral health

06

TREATMENT PLAN

We will thoroughly discuss all findings with you and explain any recommended treatments, reviewing all available options to help you make an informed decision

GETTING HERE

Croft House Dental Surgery
8c Castle Street ,
Wallingford,
OX10 8DL

By Bus:

The closest bus stops are:

Castle Street Stop (1 min walk) – served by X38, X39, and X40

Goldsmiths Lane Car Park
Cattle Market Car Park
St George's Road Car Park

FAQS

How accessible is the practice?

We're committed to making your visit as easy and comfortable as possible for everyone.

- A wheelchair ramp is available via our side entrance
- Several of our treatment rooms are located on the ground floor
- We have a fully equipped, accessible toilet

If you have specific needs or require extra assistance during your visit, please let us know in advance — we'll be more than happy to help.

Do I need to pay a deposit?

Yes, a deposit is required to secure your treatment appointment. It will be deducted from your final bill.

What if I need to cancel or reschedule?

Please give us at least 24 hours' notice. Late cancellations or no-shows without a valid reason may result in losing your deposit and a cancellation fee.

What counts as a broken appointment?

- Not showing up
- Being over 20 minutes late
- Cancelling too late to offer the slot to another patient

Thank you for helping us provide the best care to all our patients!
